CSPCU News: Last month, we mentioned about the many great things which are happening rather quickly for us. We have joined efforts with other NGO's and have developed and organized a plan by which we are now able to report and prosecute child sex offenders to local, regional, and national authorities. This is a huge step forward and marks incredible advancements in cooperation, communication, and awareness. We are also seeking ways which we can finance an awareness campaign which will alert local youth leaders, children, and social workers as to how to recognize potential traffickers or situations where trafficking can develop.

In regard to the special meeting in Netherlands, it has been postponed so that we may be able to attend. We are hoping to go there from Oct. 12th- Oct. 18th. Our goal is to combine efforts toward combating Human Trafficking and Child Abuse between our respective NGO's. I need to stress the importance of this meeting which will allow us to draft working memorandums and will create a formal relationship which will give us international covering and support for our work here in Transcarpathia.

All living expenses food and lodging, while we are at the meetings will be taken care of; we need to raise \$675 for transportation between Ukraine and Holland. Please be in prayer for us that we are able to attend this extremely important event. This will greatly aid our ministry efforts here in Transcarpathia, Ukraine.

Michigan Bridge News: We are continuing to develop our relationship with Pastor Brugosh and his congregation. My family asked if members his church to come over with their carts and help us do some work around the house. They were able to haul away 3 carts full of scrap metal which they sold for cash, along with some furniture and clothing which was donated to their church. MBM has committed to help sponsor this church and its vision. Pastor Brugosh was recently able to acquire some land and a building which they have begun to repair and transform into their new church facility.

There is much repair needed and a lot of work to do, but this group in particular has a lot of energy and is wonderfully on fire for the Lord! They hope to be able to build a children's center along side the existing church. We have been invited back to share another word with them before we return to the States. Please add Pastor Brugosh and his congregation to your prayers.

Praise Report Update!!!

Valeriia has been granted her USA Immigrant Visa!! We are free to travel and Lord willing we will be able to come home for the holidays. Right now we are praying for the funding necessary so that we can fly home on the 18th of November and return in mid January. Please add this to prayers for us.

We want to extend a special thanks to the anonymous donor who was willing to sign the legal documents necessary to sponsor her. You know who you are, and we are very much thankful for your invaluable assistance. We give praise to the Lord above for your act of extreme generosity and lift you up in prayer and thanksgiving.

Personal News:

We are excited to announce that we are expecting a baby!! We are starting our 10th week and are both so overwhelmed with joy!! We have gone in for our first check up and everything is as it needs to be at this time. Many of you remember your first. The excitement, the wonder, the questions. Oh! the questions!! It is comical how friends and family will respond to our inexperience and laugh at some of the questions which we ask. I mean how are we supposed to know that "this is normal" or "that is going to happen". We feel so blessed to have this incredible miracle in our lives. Thank you Father for our family!! Please add Valeriia and the baby's continued health to your prayers and pray away any complications. Thanks.

Prayer Concerns:

- Children in State ran Orphanages
- Funding for the meeting in Netherlands
- Pastor Brugosh and his congregation
- Visa for my wife Valeriia to come to USA - **ANSWERED!!**
- Thanks and Praise for our growing family and a problem free pregnancy for Valeriia and the baby
- Speaking engagements and awareness opportunities
- Transportation home for the Holidays
